Date: 10/9/13

Tracy Thompson
122 East Benton St
Winterset, IA 50273

Dear Tracy,

This letter is in regards to the 10/7/13 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)a Numbers for police, fire, ambulance, poison information posted by phone. (You need to program your emergency phone numbers including poison control into your cell phone.)
- ☐ 110.5(1)b All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child. (You need to install child safety locks on your lower kitchen cabinet or move your cleaning supplies out of reach of children.)
- ☐ 110.5(1)e All accessible electrical outlets are safely capped. (You need to install plastic safety caps on any exposed electrical outlets.)
- ☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. (You need to post an emergency/disaster plan next to your front and back door. This plan should include a map of your main level and mark fire/tornado exits/locations.)
- ☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.
- ☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. (You need to obtain a 2A 10BC fire extinguisher for your main level.)
- ☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. (You need to repair/replace the smoke detector in your living room, and need to obtain a battery operated smoke detector for your main floor bedroom.)
- ☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov. (You need to post the two no smoking signs I shared with you next to your front and back door.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain copies of your most recent physician signed statements of health for yourself and family members to be kept on file. These need to be renewed every two years.)

☐ 110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.) (You need to obtain verification of current certification in the mandatory two hour child abuse training.)

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. (You need to obtain current certification in CPR and First Aid. I will also accept you writing in a date of confirmed enrollment in the course if you cannot get it completed before the deadline of this request.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before** 11/25/13.

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 11/25/13.

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 1-800-722-7619.

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you need to use only DHS approved training and only 12 hours can be by self-study. You can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html and you can sign up for training at <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
